The Deputy Commr. reports that the village of Hulimavoo is in a flourishing condition that the petitioners have brought the temple to a state of prominence by contributing some 4 thousands of rupees for the extension and up keep of this charitable institution, and that their prayer for a Cash Sasdik from Government is really deserving of encouragement, and recommends that a Cash Sasdik of Rs 8/- per month being half the cost of rice and other charges may be sanctioned, the other half being met from the income of the landed property endowed by the petitioners.

of Rs 8 per month from Govt to this Temple, which has been largely endowed by the Petrs. This matter has probably to be dealt with with the Srimpanga Sri Saradamba, the Sri Rameswara Swami temple at Chamarajpet, we Considering the large outlay incurred by the Petrs on account of this institution, the tasdik of Rs 8 per month recommended by the Dy Commr does not seem to be too large, Especially as the above half of Rs 8 will be met from the income from the lands made over by the Petrs to the temple—

Submitted to His Highness.

This is an application from Bommappa and others of Hulimavoo village in the Bangalore Taluk, praying for the grant of some tasdik to the Sri Kodanda Rameswaraswami consecrated in the Sri Anjaneyaswami tem-ple in the said village.

2 It is seen from the Deputy Commissioner's report that the villagers have spent about Rs 2,000/- for the extension of the temple and the contruction of the Vahana Mantapa and Yagasala and also gifted to the temple landed property worth Rs 2,000 yielding an annual income of Rs 100, besides presenting to it a car, several Vahanams and some jewels, all costing Rs 4,675.

3 The petitioners represent that the monthly expenditure of the temple comes to Rs 16/- of which half is met from the income of the lands endowed by them, and ask that the other half (Rs 8/- a month) may be sanctioned by Government. The Deputy Commissioner states that the prayer of the petitioners who have come forward and brought the temple, which is a Muzrai institution, to a state of prominence by way of voluntarily contributing

thousands

thousands of rupees, is really deserving of encouragement and recommends that a monthly cash tasdik of Rs 8/- may be sanctioned.

4 The First Councillor (Mr. H.V.Nanjundayya) recommends that a yearly tasdik of Rs 75/- (or Rs6-4-0 per mensem) may be given from the lapsed grants or savings in Gosayi Ghat temple— in the latter case for 5 years at a time.

5 I agree with the Councillor and recommend that a grant of Rs 75/- per annum may be graciously sanctioned, to be met from the savings in the Gosayi Ghat temple as in the other case of Rameswara temple at Chamarajpet, Bangalore City, the file about which has been separately submitted for orders to-day.

Sir,

With reference to your official memorandum No: 1298 Muzrai 450-08-4 dated the 16th March 1909, forwarding for report the petition of Bommappa and others of Akkimaravos in the Bangalore Taluk, praying for the grant of some Inadik to the Sri Kodandaramaswami consecrated in the Sri Anjeneya swamy temple of the place, I have the honor to state that the petition is a reply to the endorsement No: 1111 Muzrai 101-08-32 dated the 16th February 1909, granted by Government, to the effect that their prayer viz the granting of Inadik, would be considered, if they first deposited a decent amount in the name of the temple.

2. The petitioners state that they have gifted to the temple landed property worth Rs2,000-0-0 yielding an annual income of Rs100-0-0, that they have spent about 2000 rupees for the extension of the temple and for the construction of the Vahana mantap and Gopuram, that they have also presented to the temple a car and several other costly vahanas and some jewels of silver and gold at a cost of Rs4675-0-0 and pray for a grant of cash Inadik in consideration of the large amount spent as aforesaid for the benefit of the temple

The petitioners state that the monthly establishment to be maintained cost to Rs 16, as detailed in the margin, and that one-half of which will be met from the income of the lands endowed by them, which is estimated to be Rs 100/- a year or 8 a month, and pray that the other half viz Rs 8/- a month may be sanctioned by Government.

improvements have been effected thereto by way of

is in a very flourishing state. The prayer of the
petitioners who have come forward and brought

of encouragement and I therefore beg to recommend
